Dear Mr. Reali:

In accordance with the National Environmental Policy Act (NEPA) of 1969 and Section 309 of the Clean Air Act, the U.S. Environmental Protection Agency (EPA) has reviewed the Final Environmental Impact Statement (FEIS) for the above referenced project and believes that the General Services Administration (GSA) adequately addressed its comments within the FEIS.

Thank you for providing EPA with the opportunity to review this project. If you need assistance in the future, the staff contact for this project is Karen DelGrosso; she can be reached at 215-814-2765.

Sincerely,
